Mid Suffolk Radio Modellers Data Protection Regulation Privacy Notice

I attach hereto to your personal details held on behalf of MSRM used to administer, manage and carry out our obligations arising from your membership of MSRM and the BMFA. They include your name, address and contact details and may include your age or date of birth and also record achievement scheme awards and 'safe to fly solo'

These details are held on a Microsoft Excel spreadsheet on my personal standalone computer and both are password protected. They are not accessible on line and are not shared with any third party or organisation outside the club other than the BMFA for membership processing. The data may be shared with other members of the committee and trainers and your contact details may be passed with your permission to other members of the club who wish to contact you.

The legislation requires that you give me (the club) permission to retain and process this data, but should you decide not to give such permission then your membership will be revoked.

Club committee members and trainers must give permission for their contact details to be shared with club members for them to retain their respective roles.

The Secretary will act as Data Protection Compliance Manager.

Please read this notice in conjunction with the MSRM Privacy Policy a copy of which is attached. Contact the Data Protection Compliance Manager with any questions.

Your permission is required in writing so please read and answer the below sentences;
